## Blogging The Night Away

by Michael in New York on 8/13/2004 12:54:00 AM

Like our godlike creator -- John in DC -- I, too, have been away. (Actually in Toronto going on the set of a new TV movie version of Kojak starring Ving Rhames. So hello Rob of Baltimore. Now what say you to Carl with a K's comment: are the details of a poll's breakdown called "internals" or "cross tabs?" Or has "internals" morphed into a phrase covering both polls done by a campaign itself to judge where it's at AND the more detailed analysis of a poll showing where voters stand on their attitudes towards a particular candidate, what issues they consider important, etc? Inquiring minds want to know and clearly you know.
