Condi Speaks The Truth

by Michael in New York on 10/11/2004 12:28:00 AM

Condi Rice was on "Good Morning America" on Sunday talking about the historic (and positive) Afghan elections. And she sure nailed it when Rice defended the vote against charges that it was rigged and unfair.

"You have technical problems with elections all over the world," said Rice. "You have technical problems with elections in mature democracies."
