IRA Turns Back On Terrorby Michael in New York on [7/30/2005 12:28:00 PM](#)

This is from a few days ago, but still **good news**, though the proof is in the pudding. Obviously, Bush's invasion of Iraq is directly responsible for this -- if he hadn't lied to the American people and gotten bogged down in the Middle East, how would the IRA have known to renounce terror...or rather extremism? Bush's invasion will also be credited with bringing the shuttle safely home and with ending the heat wave smothering the east coast these last few days.
