Online Polls -- Talk About Energizing Your Base!

by Michael in New York on 10/14/2004 04:34:00 AM

I've just spent ten minutes going to all the online polls -- the links are below. And as of 4:30 am (EST), Kerry is trouncing Bush. Of course, these polls aren't at all scientific. But they do demonstrate which side has a more pro-active, energized base. And unlike the national polls, Kerry's numbers are way over Bush. Heck, he's even beating Bush by 11 points on the FOX poll! Keep voting early and often -- just like in Florida.
